

BUZZARDS BAY SAIL AND POWER SQUADRON

presents

COASTAL NAVIGATION 2024

Marine Navigation (P) & Advanced Marine Navigation (AP)

Marine Navigation and Advanced Marine Navigation are the United States Power Squadrons courses providing you with skills needed to safely navigate coastal and inland waters.

Since most boaters use GPS, these courses provide you with what you need to successfully use GPS or a chartplotter to plan and navigate, as well as navigation software for planning using a computer. You'll also learn how to check your navigation, and what to do if the GPS becomes faulty.

By merging the two courses, we can reduce the overall class time. If you have not taken Marine Navigation or wish to review the material take the initial sessions and be up to speed for Advanced Marine Navigation.

Notes:

We will use 2 methods for class presentations: live interactive ZOOM classes as well as in person classes. Depending on the material being presented and the student needs we will use both these methods. We will always make sure the students fully understand the material through in person classes and if necessary individually scheduled in person discussion/help during the week following the presentation.
